

Puzzles and Games!

Rotary Club of Slave Lake
Public Library

Thursdays at 10:30am
Ages 2-5

Puzzles and games is a new program offered through the library for children ages 2-5. It is a free drop in program that runs for about a half hour to an hour on Thursday Morning at 10:30 am.

Why Puzzles and Games?

- Puzzles and games are an important part of child development.
- Puzzles are a great way for children to practice their memory and thinking skills.

- Puzzles allow children to practice hand eye coordination and fine motor skills such as grasping, holding, manipulating, etc..
- Many puzzles and games feature small pieces, moving parts, interlocking components, and hidden members that will pose a challenge for young children.
